

CALABRIAN CITRON

The perfume
of your summer

A.D. Angelo Sganzerla

How can you recreate the perfume of summer, the fresh morning air, the wind laden with fruity scents, the bright light? With this joyous fragrance inspired by the energy and sunny appeal of Citrons, very fresh and tasty citrus fruits picked for us on the Citron Coast of Calabria. From the pulp of these all-Italian fruits, our Laboratories have obtained a toning extract and a refreshing distilled water, protagonists of four exceptional body and hair treatments which, together with the Perfume, are already your must-haves for the summer.

*The percentage refers to the body and hair treatments. The remaining percentage of ingredients guarantees product stability and appeal.
