

ActiveCollagen

Your beauty
has a new face: firmer, more
plumped and smoother

A. D. Angelo Spanzeria

From the experts at L'Erborario's Laboratories comes ActiveCollagen, the new replumping, firming, anti-age treatment range with a lifting effect, formulated with Biomimetic Collagen derived by biotechnology from the fermentation of plant substrates (Corn or Sugar Beet or Sugar Cane).

This ultra-pioneering active has an astonishing ability to stimulate Collagen production.

Try its outstanding effects with our new products: Powder Cleanser, Day Face Cream and Night Face Cream (in refillable jars), Eye and Lip Contour Cream and Eyelash Lengthening Serum.

*The percentage refers to the entire product range. The remaining percentage of ingredients guarantees product stability and appeal.
